

HLTAID003 Provide First Aid

This training program is designed for people who wish to or are required to develop the skills and knowledge needed to provide first aid.

Fix Australia offers a Nationally Recognised First Aid training program that meets the requirements of WorkCover and the Australian Resuscitation Council.

The course is nominally two days long, with one day delivered as a face to face class in the Fix Australia Chatswood premises, or at another venue organised by Fix Australia.

Some time should be allowed to complete written assessments and review the material learnt prior to attending the one day face to face training and practical assessment day of the course.

Skills learnt include:

Cardio Pulmonary Resuscitation (CPR)

Use of an Automatic External Defibrillator

Methods of assessing a casualty

Assisting with Medication to respond to Anaphylaxis or Asthma Attacks

First Aid treatment for :

Burns

Allergic reactions

Loss of consciousness

Bleeding

Burns

Heart Attacks

Bites and stings

Fractures

Near drowning

Seizures

Shock

Substance abuse

Poisoning

And many other conditions

This unit of competency is nationally recognised and can only be delivered by a Registered Training Organisation (RTO) that complies with the governing standards of quality control and quality training and assessment.

Fix Australia is flexible in the format and timing of learning and assessment activities to ensure that we provide every opportunity for participants to demonstrate their skills and abilities.

Fees and Charges:

The fee for this course is \$100.00. Fees are to be paid in full prior to the course commencement. Fees can be paid by cash, credit card, EFPOS, or EFT.

Corporate clients are offered 30 day accounts which require payment in full 30 days from completion of the course.
